TOOLS AND TOOL STORAGE FOR TECHNICAL STUDENTS

Craftsman Aviation Tool Set

WI-AVIATION-001

As an aircraft mechanic or technician, you'll have a demanding job to maintain, inspect and repair aircraft and helicopters. Solid training and dependable tools will help you meet strict deadlines in order to maintain flight schedules. Make a smart investment now, as you'll depend on your tools for years to come.

The Waterloo STEP™ Program offers student discounts and personalized service for elite brands of tools and tool storage. We'll help you step from a Student to Expert!

Craftsman has been standing behind high-quality, durable tools since 1927. All Craftsman tools are lab-tested for performance and durability. With a legacy of providing tools trusted for generations, Craftsman understands the importance of dependable tools for professionals like you. The quality of your work depends on your tools, and you can count on Craftsman brand quality.
