

**TOOLS AND TOOL STORAGE FOR TECHNICAL STUDENTS**

# Welding Tool Set

## WI-WELD-001

In a field that is constantly advancing with technology, you'll learn the latest welding techniques and trends. After graduation, you may find yourself working hands-on in a manufacturing facility, shipyard, construction site or other industrial jobsite. Tools from the industry's best quality brands will give you confidence as you learn your trade and as you start your career.

The Waterloo STEP™ Program offers student discounts and personalized service for elite brands of tools and tool storage. We'll help you step from a Student to Expert!
